Healing Pathway Phase 2

Healing from the Heart is one of two parts of Phase 2 in the Healing Pathway program. It provides an opportunity to deepen the experience of healing and connecting to God's healing power through the heart centre. New healing sequences and assessment procedures are introduced and practised, as well as effective use of dialogue to deepen the healing process. Phase 1 is a prerequisite. The workshop includes the following:

- ✚ Learning and practising assessment skills on the physical, emotional, mental, and spiritual levels
- ✚ Reviewing and practising specific healing sequences and learning new ones
- ✚ Deepening self awareness and understanding through exploration of spiritual practice and self-care
