Gale Glover

... has been involved in healing energy work since 1993. Phase 3 Workshop

From Fri, April 13, 5:00 pm

To Tue April 17, 1:30 pm

(The accommodation cost includes the evening meal on Friday and lunch on Tuesday)

If you have completed both Phase 2 workshops, you are invited to give yourself the gift of time to gather with others in community and advance your knowledge and skills as a Healing Pathway Practitioner.

This is an opportunity to learn and practise advanced healing techniques and gain more information about the human energy system. The advanced skills taught will focus on grounding in our bodies and connecting to the divine source of healing, offering love and compassion to others. The retreat setting and creation of a caring community also offer space for you to continue your own healing journey.
