## The Invitation:

Life is busy and at times things can feel overwhelming. Are you looking for a place of calm in the storm? Come and be in a safe, quiet place as you learn about and explore energy in new ways. Leave feeling empowered to support yourself and others in the challenges of everyday life.

Join us in experiencing self-care techniques that focus on energy healing as a spiritual practice grounded in Christianity but present in all the wisdom teachings.

At this experiential workshop you will:

-  Connect into, and experience heart-centered energy
-  Share and receive energy treatments
-  Learn specific self-care practices: centering, grounding, and meditation.
-  Be part of a supportive and caring healing community.
