Instructors:

- **Gale Glover:** I have been active in healing work most of my life, first as a nurse, and later in Healing Touch, then in 1993 with the Healing Pathway. I have taught all Phases of the Healing Pathway from BC as far east as Montreal. **To** each workshop I bring my sense of humour, story-telling, compassion, and listening skills. **From** every workshop I have gained new knowledge, new insights into the depth and breadth of this gift of healing in people's lives, and always a renewed sense of awe at the presence of the Spirit in each person and in the ability of every individual to share this energy of Love with others.
- **Sharon Yetman:** I have been a Healing Pathway Instructor for the past 12 years. I have taught in five Canadian provinces and in Guatemala. I have been offering and receiving Healing Pathway sessions for 22 years and am grateful for the healing. I am passionate about the work and bring enthusiasm, joy and a deep spirituality to my teaching. I am a participant and mentor in the Healing Hands ministry team at Highlands United Church in North Vancouver, BC.
