Healing Pathway Phase 2

Healing from the Heart is one of two parts of Phase 2 in the Healing Pathway program. It provides an opportunity to deepen the experience of healing and connecting to God's healing power through the heart centre. Focus is on increasing the Practitioner's self-awareness and self-understanding. Emphasis is on development of self as an instrument of healing. New healing sequences and assessment procedures are introduced and practised, as well as effective use of dialogue to deepen the healing process. Phase 1 is a prerequisite. The workshop includes the following:

Content...

- 👉 Practising the skill of being a heart-centred, healing presence
- 👉 Learning and practising assessment skills on the physical, emotional, mental, and spiritual levels
- 👉 Reviewing and practising specific healing sequences and learning new ones
- 👉 Deepening self awareness and understanding through exploration of spiritual practice and self-care
- 👉 Discussion of the connection between spiritual practices such as prayer, meditation, and worship, and healing ministry
