

Healing Pathway is an experiential spiritual and healing practice that supports well-being and resilience by promoting energetic alignment to all aspects of our being – physical, emotional, mental and spiritual. Programs are supported locally and nationally by the Healing Pathway Society.

*This workshop is sponsored by the Healing Pathway Eastern Region
(HealingPathwayEast@gmail.com)*

Where Two or More Gather

Provides an opportunity to deepen the experience of healing and connecting to God's healing power through the heart centre.

Our bodies are energy. We have fields of energy around us. Emotions and even thoughts carry energy.

When energies flow smoothly, all is well.
When all is well, energies tend to flow well.

Stress, injuries, emotional wounds, and grief all impact the energy flow. Blocked energy can create pain and anxiety.

Everyone has the capacity to work with their own energy, and with other people's energy, to help it flow, to help in our healing

We can learn to tap into divine or universal energy and use it to heal. We can learn to be more connected to Universal energy, more grounded, more centred, creating more resiliency for ourselves and others.

All of this helps both in healing what already needs to heal in our bodies and helps keep us healthy, like exercise keeps us healthy.

Instructors

Come, be inspired, and immerse yourself in a workshop course with two experienced, heart centered facilitators, Barb Loynes and Howard Clark. Together they offer years of wisdom and healing experience. Share in their passion for this transformative practice.

Barb Loynes

took her first Healing Pathway course in 2011 and completed the last one in 2016. For many years she was a practitioner at Glencairn United Church, before her move to Perth in 2017 and her subsequent move to become a Healing Pathway instructor. Healing Pathway enriches her life as she offers this heart centred ministry to others

Howard Clark

A retired U.C. Minister, whose intentional journey with Christ-centred healing began over 50 years ago. He finds a real congruence with the Healing Pathway program, to which he has been committed for the past 20 years. It is a prayerful gift in line with the oldest traditions of Christian healing.
